Mr. Riley Ramsey
Webster County Board of Education
28 State Route 1340
Dixon, Kentucky 42409

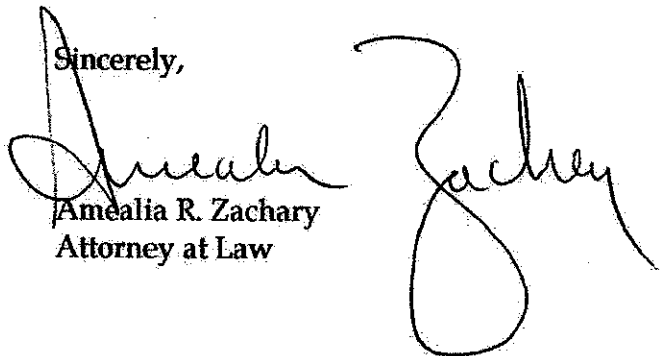

Re: Technolgy Lease

Dear Mr. Ramsey:

At your request, I have reviewed the packet for Technology leases sent to me. It appears that the packet, request and the lease complies with the scope of the approval by the Board of Education.

Obviously, I have not negotiated or otherwise modified the Dell document since it is my understanding that it is prepared by Dell and we have no ability to change same.

Sincerely,

Amealia R. Zachary
Attorney at Law
