

JEFFERSON COUNTY PUBLIC SCHOOLS

CONTRACT FOR THE PROCUREMENT OF PROFESSIONAL SERVICES

THIS CONTRACT FOR PROCUREMENT OF PROFESSIONAL SERVICES (hereinafter "Contract") is entered into between the JEFFERSON COUNTY BOARD OF EDUCATION (hereinafter "Board"), a political subdivision of the Commonwealth of Kentucky, with its principal place of business at 3332 Newburg Road, Louisville, Kentucky 40218 and Facing History and Ourselves (hereinafter "Contractor"), with its principal place of business at 16 Hurd Road, Brookline, Massachusetts, 20445.

WITNESSETH:

WHEREAS, the Board desires to procure the particular services of Contractor, which are more fully defined below; and

WHEREAS, Contractor has held itself out to be competent and capable of performing the services contracted for herein;

NOW, THEREFORE, in consideration of the mutual promises and agreements hereinafter set forth, the Board and Contractor (hereinafter "Parties") agree as follows:

ARTICLE I

Entire Agreement; Amendments

This Contract is the entire agreement between the Parties and supersedes any and all agreements, representations and negotiations, either oral or written, between the Parties before the effective date of this Contract. This Contract may not be amended or modified except in writing as provided in Article VIII. This Contract is supplemented by the Board's Procurement Regulations currently in effect (hereinafter "Regulations") that are incorporated by reference into and made a part of this Contract. In the event of a conflict between any provision of this Contract and any provisions of the Regulations, the Regulations shall prevail.

ARTICLE II

Services

Contractor agrees to perform the following services (hereinafter "Services") of a quality and in a manner that is within the highest standards of Contractor's profession or business. The Services are as follows:

Facing History and Ourselves:

1. Contractor will facilitate an online training for up to five high school social studies teachers new to Exploring Civics course in the Fall 2013. (October-December). Course will be designed in conjunction with JCPS Social Studies Curriculum and Assessment Specialist. Course will align to the Kentucky Core Academic Standards for Social Studies and the Kentucky Core Academic Standards for Literacy in History and Social Sciences. Online training will consist of one-on-one telephone conference with Facing History Program Associates and 10 weeks of self-paced online modules.

2. Facing History Program Associates will visit classrooms of Exploring Civics teachers to provide assistance and coaching during two visits to the district. Each visit will include a district professional development session to enhance teacher knowledge and improve instructional practices with a focus on standards-based instruction and on-going formative assessment.

3. JCPS Social Studies Specialist will attend a three-day summit with Facing History Program Associates in Memphis, TN to align Facing History materials used in JCPS to the new Kentucky Core Academic Standards for social studies standards (upon release). This summit will also serve as planning session for Summer 2014 professional development.

4. JCPS Social Studies Specialist and Research Department will work in conjunction with Facing History and Ourselves Program Associates to construct classroom observation and data collection instruments to effectively gauge student understanding of historical, civic and geographic knowledge as it relates to the current Kentucky Core Academic Standards and to the College, Career and Civic Life Framework for State Social Studies Standards (September 2013). The instrument will also gauge the alignment of Facing History and Ourselves materials to Kentucky Core Academic Standards for Literacy in History/Social Sciences.

5. Facing History staff will facilitate a seminar for up to 100 JCPS educators in the Summer of 2014. The seminar will be preceded by online work so that participants become familiar with the overarching "journey" they will experience during the seminar--and that will be a foundational aspect of the course they will teach the following year. The seminar itself will be customized to serve JCPS needs, as identified by evaluation and classroom observations. A portion of the seminar will be dedicated to Exploring Civics teachers that are already trained by Facing History. This "advanced" seminar will prepare teachers in JCPS to become teacher leaders in the district.

6. Facing History and Ourselves provides JCPS teachers access to its Lending Library and access to the full complement of "Educator Resources" found online at www.facinghistory.org.

If the Contract Amount is paid from federal funds, this Contract is subject to Executive Order 11246 of September 24, 1965 and in such event the Equal Opportunity Clause set forth in 41 Code of Federal Regulations 60-1.4 is hereby incorporated by reference into this Contract as if set forth in full herein.

ARTICLE VII Prohibition of Conflicts of Interest

It shall be a breach of this Contract for Contractor to commit any act which is a violation of the provisions of Article XI of the Regulations entitled "Ethics and Standards of Conduct," or to assist or participate in or knowingly benefit from any act by any employee of the Board which is a violation of such provisions.

ARTICLE VIII Changes

The Board and Contractor may at any time, by mutual agreement set forth in a written addendum, make changes in the definition of the Services; the scope of the Services; and the Contract Amount. The Contract Administrator and Contractor may, at any time, by mutual agreement set forth in a written addendum, make changes in the time within which the Services are to be performed; the schedule of Progress Payments; and mutual Termination of the Contract.

ARTICLE IX Termination for Convenience of the Board

The Board shall compensate Contractor for Services satisfactorily performed through the effective date of termination.

ARTICLE X Termination for Default

The Board may, by written notice of default to Contractor, terminate the whole or any part of this Contract, if Contractor breaches any provision of this Contract, or so fails to make progress as to endanger performance of this Contract, and in either of these circumstances, does not cure the breach or failure within a period of five (5) days after receipt of notice specifying the breach or failure. In the event of termination for default, the Board may secure the required services from another contractor. If the cost to the Board exceeds the cost of obtaining the Services under this Contract, Contractor shall pay the additional cost. The rights and remedies of the Board provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

ARTICLE XI Disputes

Any differences or disagreements arising between the Parties concerning the rights or liabilities under this Contract, or any modifying instrument entered into under Article VIII of this Contract, shall be resolved through the procedures set out in the Regulations.

ARTICLE XII
Contractor's Work Product

Unless waived in writing by the Contract Administrator, the Board shall retain ownership in and the rights to any reports, research data, creative works, designs, recordings, graphical representations or other works of a similar nature (hereinafter "Works") produced or delivered by Contractor under this Contract. Contractor agrees that the Works are "works for hire" and Contractor assigns all right, title and interest in the Works to the Board.

Any reports, information, data, etc. given to or prepared or assembled by Contractor under this Contract shall not be made available to any individual or organization by Contractor without the prior written approval of the Board. Provided, nothing in this Article may be used to violate the provisions of any Kentucky or Federal statute or regulation which requires reporting of information.

ARTICLE XIII

The Board shall appoint a Contract Administrator for the purposes of daily administrative decision-making pertaining to the Contract. If Contractor and the Contract Administrator disagree on any circumstance or set of facts pertaining to the administration or execution of this Contract, the Board shall resolve the matter after notification by either the Contract Administrator or the Contractor in the manner prescribed by the Regulations. If the Board fails to give notice to Contractor of the appointment of a Contract Administrator, the Contract Administrator shall be the Board's Chief Financial Officer.

ARTICLE XIV

The Board shall have the right to inspect and audit all accounting reports, books or records which concern the performance of the Services. Inspection shall take place during normal business hours at Contractor's place of business. Contractor shall retain all records relating to the performance of this Contract for five (5) years after the end of the term of this Contract.

- D. This Contract shall be governed and construed in accordance with the laws of the Commonwealth of Kentucky.

- E. No delay or omission by either Party in exercising any right under this Contract shall operate as a waiver of that or any other right or prevent a similar subsequent act from constituting a violation of this Contract.
- F. At all times during the term of this Contract, Contractor shall comply with the Family Educational Rights and Privacy Act of 1974. If Contractor has access to student records, Contractor shall limit its employees' access to those records to persons for whom access is essential to perform this Contract.
