Dear Board Members,

It gives me great pleasure to write this letter of endorsement in naming the Watson Lane Elementary playground after former principal, Dr. Rosemarie I. Young.

Dr. Young was the principal of Watson Lane for 28 years and was a positive influence in this community. Her contributions to this community are insurmountable. Her collaborative efforts are commendable. During her tenure, she worked tirelessly to create a warm and caring environment and to ensure student success at Watson Lane.

Dr. Young will always be an integral part of the Watson Lane community. For her years of commitment, service and dedication to this community, I highly recommend the Watson Lane Elementary playground be named in honor of Dr. Rosemarie I. Young.

Thanks for your consideration in this matter.

Sincerely,

Dear Board Members,

When I was asked to write a letter of endorsement for Dr. Young, I was so pleased to finally get a chance to acknowledge her accomplishments and leadership skills.

I have worked with Dr. Young for more than a decade on numerous projects. She has always eliminated barriers with ease and approached the next obstacle with enthusiasm.

After 28 years of complete dedication to Watson Lane Elementary School and the surrounding community, it is a well-deserved honor for her to have the new Watson Lane Elementary playground bear her name.

Best Regards,

To Whom It May Concern;

I am a former student and current parent of Watson Lane Elementary. I have enjoyed being able to share the leadership that was before me with Mrs. Rosemarie Young, now Dr. Young, with my two daughters. She was my principal in 1985 and has continued to help the growth of the school within the community.

I feel that it would be great to honor Dr. Young for all she has done over the last 28 years in naming the new Playground in her name. It reminds us that she was someone who helped with the growth of children into the adults that have continued to live and work in the Valley Station community today. Dr. Young has worked very hard during her 28 years as principal, and has left a special place in many students and parents' hearts.

So again I would love to see Dr. Rosemarie Young's memory be carried on in the naming of the playground. Her kindness and respect for the staff, students and community has gone above and beyond for many years.

Sincerely,

Dear School Board Members,

My name is Tiffani Morrison and I am a 4th grade teacher at Watson Lane Elementary. I would like to recommend that our new playground be dedicated to our retiring principal, Dr. Rosie Young. I believe with all my heart that she deserves this honor.

Dr. Young has been the principal at Watson Lane for 28 years. She cares about the school and community. She worked hard to get the playground for our school. She has worked hard to get many things for our students, that they would not be able to experience without her help.

Dr. Young is the reason Watson Lane became my home. She took me in and showed me what it is like to be part of a community. This is what she does for every teacher, student, and parent. Dr. Young should be remembered in this community and the play ground being named after her presents the opportunity.

Sincerely,
Tiffani Morrison

Dear School Board members,

I would like for you to name our new playground after our principal. Her name is Dr. Rosemarie Young. She was the best principal I've ever had and I loved how she kept our school safe. And thank you for naming our playground after our Principal.
