“Maximizing Student Learning & Achievement”

To all whom these presents shall come:

WHEREAS, as an excellent public school system is vital to the quality of life in the Commonwealth of Kentucky and fundamental to preserving a strong democratic society both now and in the future; and

WHEREAS, upon passage of Senate Bill 1 (now called Unbridled Learning) the members of the Kentucky Legislature pledge to ensure that Kentucky’s students would have the tools they need to compete in a global society; and

WHEREAS, the mandates of Unbridled Learning continue to increase, putting additional stress and responsibilities on teachers and administrators working to ensure that students continue on their path to becoming college and career ready; and

WHEREAS, the Kentucky Legislature has broken their pledge to Kentucky’s students, failing to fund the mandates of Unbridled Learning, thereby putting at risk its goals and jeopardizing the future of our students; and

WHEREAS, the failure of the legislature has caused the Gallatin County School District and districts across the Commonwealth to make significant cuts to their budgets and to personnel;

NOW, THEREFORE, we, the members of the Gallatin County Board of Education, do challenge the members of the Kentucky State House of Representatives and the Kentucky State Senate to take action, putting the students of the Commonwealth of Kentucky first, reinvesting in their future and fully funding the mandates of Unbridled Learning to ensure that Kentucky’s public education system can offer students the path to college and career readiness.
