5-Star Networks

**FORD
NEXT GENERATION
LEARNING** 
Education Innovation

Recommendations from Strand 1, 2, 3 Committees

Strand 1 Recommendation

Externships EP 1.3 Safe, Resourced, Supported, & Equipped Schools

- o 2 teams of 3 cross curricular teachers from each school will spend four days during summer 2013 in a local business working on a project that can be brought back to their students

Strand 2 Recommendations

ILP EP 2.1 Safe, Resourced, Supported, & Equipped Schools

- o Working with feeder middle schools and 9th students to make the ILP a meaningful and relevant document

Cohort Scheduling EP 2.3 Safe, Resourced, Supported, & Equipped Schools

- o School leaders institute and protect a cohort scheduling method to increase the instructional time for teachers and students in a designated academy

Evaluation of academy effectiveness and student success EP 2.4 Resourced, Supported, & Equipped Schools

- o Use multiple measures of academy effectiveness (including attendance, student engagement, disciplinary referrals, class grades, standardized and targeted assessments, retention, graduation, and feedback from key stake holders) school and academy leaders monitor the quantitative impact of academy implementation on student success

Strand 3 Recommendations

Local marketing plan EP 3.6 Safe, Resourced, Supported, & Equipped Schools

- o To work with the community to develop a strong internal & external marketing plan for the 5-Star high schools

Community buy-in and protection EP 3.2 Safe, Resourced, Supported, & Equipped Schools

- o To organize a CEO board, comprised of prominent civic leaders and senior business executives that will meet with education leaders to review progress on the 5-Star design and Ford NGL plan

Celebration of success EP 3.7 Safe, Resourced, Supported, & Equipped Schools

- o The community celebrates the success of the academies
