If yes, which Association? NEA <input checked="" type="checkbox"/> ACSA <input type="checkbox"/> CASE <input type="checkbox"/> COSA <input type="checkbox"/> KASA <input type="checkbox"/> NASA <input type="checkbox"/> UASSP <input type="checkbox"/> Other <input type="checkbox"/>		
Name of your NEA local association, if applicable. <u>Kentucky Educator's Association</u>		
If no, what is the name of the member who referred you?		
Please provide the referring member's contact information.		
Email	Phone ()	
Name of the referring member's NEA local association, if applicable.		
What is your affiliation with the sports program at the High School for which the application is being submitted? Coach <input checked="" type="checkbox"/> Athletics Director <input type="checkbox"/> Other <input type="checkbox"/>		

*Please notify your Principal and Athletics Director that you have submitted an application for the California Casualty Thomas R. Brown Athletics Grant on behalf of your school. Email addresses are required for communication purposes.

**Refer to Guidelines & Conditions for participating educator associations.

For award consideration for your school, please answer the questions below.

- What high school sport would benefit from this grant? Archery
- This is a boys _____ girls _____ co-ed ☒ sport.
- How many students are in this sports program?
1-20 ☒ 21-49 _____ 50-75 _____ 76-100 _____ 101-200 _____ over 200 _____
- What grade levels? 9-12
- Is it a school-sanctioned or publicly funded sports program? Yes ☒ No ☐
If no, explain.
- Does your program receive any funding from the School District? Yes _____ No ☒
- Is this sports program in jeopardy of being eliminated? Yes ☒ No ☐

8) How is this program being impacted by budget cuts? Please explain.

We are a rural county school in a small community. Budget cuts are requiring all programs to rely on fundraising more and more. In a town with four schools and many extra-curricular programs, community resources are being stretched thin.

9) Grant amount requested \$ 2995.60

10) If awarded, how would the grant funds be allocated? Please be specific and provide an itemized budget.

Archery is a sport that requires a lot of equipment, both for student participation and safety. We would use the grant money to purchase more bows, replace damaged arrows and targets, and a new safety net. We would also purchase more safety items for students like arm guards, tabs, and bow slings. We would want to gain items to repair equipment like strings, fletcher, fletchings, nocks, glue, and storage boxes to protect equipment and insure it lasts.

11) How would your program benefit from a California Casualty grant?

This grant will help our growing team continue to strengthen. We reach students that do not often participate in other school activities. This grant will allow us to reach more students and show them what is possible with hard work and concentration.

12) How did you learn about the California Casualty Thomas R. Brown Athletics Grant Program?

California Casualty Employee _____

Parent _____

My Association Leadership/Rep _____

Applied last year ☒

Email _____

Athletic Director _____

Internet _____

Colleague _____

I'm a California Casualty customer _____

Publication--Which one? _____

Other _____

13) Please send me information on other education related community impact opportunities as they become available. Yes ☒ No ☐

Please return the completed application form by email, fax or mail.

California Casualty Thomas R. Brown Athletics Grant Guidelines & Conditions

The **California Casualty Thomas R. Brown Athletics Grant** program will consider grant requests for public high schools whose athletics programs are in jeopardy and in great need of funding in all states except: AK, HI, MA, MI, NY or WI.

The deadline is January 15 for grant requests to be considered for the current school year. Applications received after January 15 will be considered for next year's grant program.

Applications must be submitted by an active employee of the public high school for which the grant is being requested. The applicant must be a current member, or referred by a current member, of the state NEA affiliate or one of our other participating educator associations including: ACSA, CASE, COSA, KASA, NASA or UASSP. Please advise your Principal and Athletics Director of your grant request. California Casualty will be in contact with them in regard to your application status.

Not all schools are guaranteed to receive a grant award. A selection committee will review all applications and determine award recipients and grant amounts. All applicants who submitted their application by January 15 will be notified of their status by May 30 of the same year. All other applications will be considered for an award the following year. Grant award amounts may range from \$1,000 to \$3,000. Checks will be made payable to your high school.

Awards must be used to subsidize the sports program(s) identified on the grant application and can not be used for individual student awards, construction projects, organizations whose primary purpose is fundraising, or other school programs.

Only one grant will be awarded per school per academic year and schools will not be awarded two consecutive years. If your school is not awarded this year, your school will be eligible to apply again next year.

California Casualty requires permission to publish the details of the award, school name and applicant's name and photo in promotional materials and media.
