Henderson County School Board:

We would like to request a new fundraiser for the Henderson County Football Program. This fundraiser would replace the mattress fundraiser that we have used for the last two years. The mattress fundraiser didn't go well and was not very profitable for our program. With this new fundraiser our football players would be selling fresh Florida Strawberries. The players would take orders in February and the strawberries would be available to distribute in March. We have heard of various Western Kentucky football programs using this fundraiser and they have had good success with it. Thank you for considering this request – Go Colonels!

Sincerely,
