

*The attached document was created by members of the District's Coordinated School Health Committee. The document was created to help principals and others to have the local district policies and state and federal laws in one condensed and concise document to reference easily. **The document includes what the current policies and laws were at the time of the document's creation. The document will be updated accordingly as policies and laws are changing currently.** Initial principal feedback regarding these documents is positive and best practices documents will also be created.*

Summary of Current Federal, State, and Local Regulations and Policies Relevant to Family and Community Involvement

Updated 9/30/2013

Family and Community Involvement	<div>Regulations and Policies</div> <div>Note: If policies differ, the most stringent policy will apply.</div>	
<p>An integrated school, parent, and community approach can enhance the health and well-being of students. School health advisory councils, coalitions, and broadly based constituencies for school health can build support for school health program efforts. Schools actively solicit parent involvement and engage community resources and services to respond more effectively to the health-related needs of students.</p>	Federal	Website/References
	<p>1. Title 1 Program</p> <ul style="list-style-type: none"> <i>Annual Evaluation:</i> An annual evaluation of the effectiveness of the school's Parent Involvement Policy and activities must be conducted. <i>School Parent Involvement Policy:</i> Each Title 1 school must jointly develop, agree upon, and distribute to parents of participating Title 1 children a written parental involvement policy. <i>School-Parent Compact:</i> All Title 1 participating schools must develop a school-parent compact jointly with parents of Title 1 participating students. <i>Annual Meeting:</i> All Title 1 schools must convene an annual meeting, at a convenient time, and invite parents of participating children.
