I would like to submit a request for an out-of-district, overnight trip. Twelve band students have been nominated by the University of Louisville School of Music to participate in the U of L Honor Bands the weekend of January 24 and 25. Within the week, the University will let me know which of those twelve students have accepted their invitations. Mr. Etienne and I would take the students up in school vehicles, take them to rehearsals and clinics, then house the students at the Hilton Garden Inn overnight. After their concert on the 25<sup>th</sup>, the students would return with us to Henderson.

Thank you for your consideration.

To whom it may concern:

I, Nathan Isenberg Head Baseball Coach at Henderson County High School, am asking permission for the baseball team to stay overnight due to out of town baseball games during the 2014 season. The following dates of: April 10-11 in Birmingham, AL, April 18 in Paducah, KY and April 25 in Louisville, KY. The Birmingham trip is a 2 night trip and the Louisville and Paducah games or tournaments scheduled in those towns are one game on that night followed by two more games on the following day.

Thanks,
