

Individual Learning Plans

Career Cruising

What are ILPs

- The ILP is a Web-enabled tool that allows students to record and keep track of their individual goals (career, education, personal).
- Each year in grades six through twelve, students across Kentucky are required to complete an Individual Learning Plan (ILP).

Strategic Plan Connection: The ILP is fully integrated with a career exploration and planning tool that students use to explore career and college option and to develop a career plan. As a result, there is a direct connection to the various strategies related to Goal 2: Graduation and Beyond (Every student graduates prepared for his or her postsecondary choice—for college or career and life)
