Subject: 1st Priority Service Project to St. Louis (Field Trip)

Dear Mr. Benningfield;

6-12
First Priority 6-12 grade & Rebels4Christ 6-8 grade would like to request permission to travel out of state for a field trip to Florissant, MO, which is in North St. Louis, on March 13th - 16th. We will leave Thursday after school and return Sunday evening. First Priority will travel with up to forty 6th-12th graders to serve the community by working housing repairs and local school campus projects. Students will be chaperoned by volunteers with a ratio of 1 adult to 5 students. All adult chaperones will have a district background check prior to traveling.

I will send out a list to teachers and the attendance clerks of both TCCHS and TCMS of student names attending prior to departure in order to count their attendance Friday, March 14th, 2014.

Thank you in your attention to this matter. I look forward to serving side by side with the Todd County students. Also we have a spot for you if you are interested in attending the trip with us.

Sincerely,

Bo Bailey

TCCHS Teacher
