

Board Work Session Agenda
Roles and Responsibilities of SBDM Councils and Their Effect on Student Achievement
March 10, 2014
5 p.m.

Shawna Stenton, SBDM Specialist, will facilitate the introduction of all council members and be available to answer any questions from the Board but will not be presenting.

Ronda Cosby, principal of Chancey Elementary School, will be bringing teacher council member Lauren Thieneman and parent council member Amy Setliff with her. She will discuss how her council is an integral part in student achievement by reviewing:

1. School Report Card (KPREP Data)
2. Tracking and Monitoring CASCADE Data
3. Aligning the CSIP According to that Data
4. Grade Level Expectations According to the Common Core Standards

Barbara James, principal of Coral Ridge Elementary School, will be bringing teacher council member Robin Buchanan and parent council member Cherie Jackson with her. She will discuss the council's role and responsibility in intervention scheduling and how it ties to student success through:

1. Budget
2. Staffing
3. Scheduling
4. Assessment Data
5. Professional Learning Communities

Pat Gausepohl, principal of Carrithers Middle School, will be bringing teacher council member April Simpson and parent council member Danielle Lanham with her. She will discuss the council's role and responsibility as it relates to:

1. Staff
2. Master Schedule
3. Weekly Professional Learning Communities
4. High expectations
5. Learning Climate

Daniel Withers, the principal of Central High School Magnet Career Academy, will be bringing teacher council member Linda Turner and parent council member Donetta Bush with him. He will discuss the council's role and responsibility as it relates to policy:

1. Alignment with State Standards
2. Curriculum
3. Enhancing Achievement
4. Program Appraisal
5. School Schedule
6. Technology
