Jefferson County Public Schools (JCPS) Early Childhood Programs

Early Childhood Philosophy

The JCPS Early Childhood Program is committed to the well-being of the whole child and family. Our commitment is focused on supporting families to set goals and make progress toward self-sufficiency and developing their child's skills to ensure school readiness.

We are a community of life-long learners who strive to enhance the lives of children and families.

Early Childhood Vision Statement

The Early Childhood Program will lead in the growth and development of young children and support of their families through collaboration and partnerships.

Early Childhood Mission Statement

Jefferson County Public Schools Early Childhood Programs are shaping the future by empowering children and families.
