RE: North Hardin High School
Replace Sewer Line 'Emergency'
Elizabethtown, Kentucky
BG# 14-144

Dear Ms. Nanette:

We believe that the apparent low bidder (Yates & Yates, LLC) are qualified to provide services for a project of this scope and we recommend them for this project. Yates & Yates, LLC has performed work for the school district before and they have provided acceptable service.

We will schedule a pre-construction meeting with the contractor as soon as possible.

Sincerely,
