

Ludlow's Shining Stars

* * * * *

4th Grade Basketball Teams

Our **4th grade boys basketball team** defeated Walton to win the River Cities League. Our **4th grade girls basketball team** defeated Southgate to win the Dayton Youth Basketball League. The 4th grade boys were coached by **Sean Gaiser** and 4th grade girls were coached by **Randy Lillard** and **Tim Mahan**. Our students played hard and did an excellent job representing Ludlow.

The Mary A. Goetz Elementary Chorus

Our elementary chorus recently performed at the Florence Mall, along with 14 other schools. Our school won the mall's Music in Our Schools \$500 Facebook Contest! Great job, Ms. Baugh & The Chorus!

Ms. Kristen Goodpaster

After entering a contest through Facebook, **Kristen Goodpaster** was awarded a new Wireless Short Throw Projector AV System through Peerless-AV. The new hardware has been installed in Ms. Goodpaster's room. Her students love the projects that can now take place due to this new technology. We are glad Ms. Goodpaster continues her hunt for bargains and free stuff on Facebook!

Recognition at the Excellence in Education Dinner

Congratulations to **Tammy Roberts** and **Vickie Baker**! These two outstanding teachers were nominated to receive a Golden Apple Award this year at the March 27th Excellence in Education Dinner. They were recognized as one of the area's Top 20 Teachers. Both teachers are known for their dedication to the children of Ludlow, always going above and beyond the call of duty. Everything they do for their students, families, and the Ludlow community is very much appreciated.

Mike Borchers was also recognized that evening. He was awarded the prestigious Robert Storer / Toyota Business-Education Award for providing collaborative opportunities between Ludlow Independent Schools and local businesses, specifically, the PIE Project.
