SUBJ: Bid List for 2014-2015

Each year we request board approval to bid a variety of items during the school year. We schedule various items throughout the year and present them to the school board for approval each month as we send out the specific bids. The actual items that are bid depend upon specific needs and not all items on the attached list may actually be bid during the next year.

Attached you will find a list of items we are requesting your approval to bid as the need arises during the school year.

If you have any questions or concerns, please do not hesitate to call.
