SHINE, a program of Children, Inc., School Age Services in partnership with Ludlow Independent Schools' 21st CCLC, is a day camp providing positive social, recreational and educational experiences for children currently in grades K-6.

The program keeps kids' brains growing with weekly themes that make the fun and learning come alive with zany arts and crafts, science, reading, drama, math, service learning, dance, sports and good old-fashioned summertime adventure.

In addition to the weekly activities, SHINE offers field trips, special visitors and fun events. There is something for everyone with Children, Inc. School Age Services!

See inside for more about **LUDLOW'S SHINE!**

Staff have special training in the care of school age children and CPR/First Aid certifications.

In addition to Ludlow's summer program, we'll offer the following programs:

- Before School Enrichment
- After School Enrichment

LUDLOW'S SHINE!

Please note - Activities and visitors are subject to change.

Breakfast and lunch will be provided through our summer feeding program at no cost to you. However, if your student has special dietary needs, packed lunches are encouraged.

Children may not bring electronic devices, such as mp3 players, video games and cell phones. If cell phones are needed, they may be checked in with an adult.

All consent/permission forms are due on the first day of the program. Forms will be mailed to registrants and are also available for pick-up at your student's school.

Activities, visits and field trips support weekly themes:

Keepin' Cool on Planet Earth (June 9-13) - You've lived on our planet your entire life, but how much do you really know about it? Learn more about Planet Earth and the solar system. We'll even visit a local planetarium! You'll get to see how recycling works and how Ludlow students can make our schools more "green" so we can be kind to our home planet.

Ludlow Loves the Arts (June 16-20) - Become a Master Artist! There will be plenty of drawing and painting this week of camp to fulfill that creative mind of yours. Study famous artists and their pieces of work. Make your own creations to display and take home. We'll conclude with a scavenger hunt at the beautiful Cincinnati Art Museum!

Take Me Out to the Ballgame (July 7-11) - We'll hit a homerun this week while we study America's favorite pastime! Learn the history of the game of baseball, while we study the rules of the game, sportsmanship, the importance of working together as a team, and how to average baseball statistics and measurements. We'll learn about Cincinnati Reds history through their Hall of Fame and even play some ball!

Summertime STEM (July 14-18) - Legos, Robotics, K'NEX and Snap Circuits! Fulfill that love of science, technology, engineering and math this week while you experiment with these cool tools, plus plenty of others! Learn more about careers in these fields.

We're Going on a Summertime Safari (July 21-25) - We'll research various animals, their habitats and fun facts about them. We'll get to meet a few cool animals that will visit Ludlow, then even take a trip to the Cincinnati Zoo to complete our safari!

This 21st Century Learning Center is a collaboration of Ludlow Independent Schools and Children, Inc. Together we will work to Support, Help, Innovate, Nurture and Enrich the students of Ludlow.

21st Century Community Learning Center grant funding has made this opportunity available to all Ludlow Independent Schools students. Spaces are limited and a waitlist will be utilized if necessary.

A confirmation letter and field trip release form will be sent upon receipt of registration forms. If your child has been listed on the waitlist, you will be notified at this time.

Please be aware of the following attendance and behavior policies.

Attendance Policy

Students must be registered for and attend at least two days per a week. No students will be permitted to attend on dates for which they were not previously registered. If a student fails to attend three or more days for which they were registered, for any other reason other than illness, they will forfeit their space in the Summer Enrichment program. The parent/guardian will receive a phone call after the second missed session warning that their place will be forfeited.

Behavior Policy

All Summer Enrichment students are expected to follow the rules as outlined in the Ludlow Independent Schools Student Code of Conduct, as well as any other site-specific rules established by the Site Coordinator. The SHINE staff hold the right to suspend students who are in violation of the Student Code of Conduct. In addition, there is zero tolerance for verbal or physical threats to staff or other students. If a student verbally or physically threatens they will be immediately removed from the program.

Please make sure you complete all information on the registration form, indicating which days and weeks your child will be attending on the reverse side. **Complete one registration form for each child.**
