Juniors Carolyn Banks, Chelsea Egan, Cameron Hart, Thomas Hollingsworth

Started in the 1930s and run by the American Legion, the Girls State and Boys State Programs are designed to train Kentucky youth in the fundamentals of good citizenship and governmental operations. It is planned so participants may put into intensive practice the theories of American Government through the operation of city, county, and state offices, as organized under the plans of a mythical 51st state. Each spring, the LHS Faculty selects junior girls and junior boys to represent the Panthers.

This year the following incoming seniors will be attending: **Carolyn Banks, Chelsea Egan, Cameron Hart, and Thomas Hollingsworth.** The Girls State Delegates will spend 6 days at Cumberland College this summer, while the Boys State Delegate will be traveling to the Wendell Ford Regional Training Center in Greenville. We appreciate the local units of the American Legion for sponsoring the delegates this year.
