

KENTUCKY DEPARTMENT OF EDUCATION

STAFF NOTE

Action/Consent Item:

Request for Waiver of 702 KAR 1:115, Section 2(2)(b) for Districts Receiving Training from Non-KSBA Providers

Applicable Statute or Regulation:

702 KAR 1:115, Section 2(2)(b)

Action Question:

Should the Kentucky Board of Education (KBE) waive the requirements of 702 KAR 1:115, Section 2(2)(b) and allow approval for training providers on the attached list?

History/Background:

Existing Policy. School board member training may be provided by sources other than KSBA as long as the training is approved by the Kentucky Department of Education. The guidelines for districts to request approval for non-KSBA provided training were not in place for board member trainings that were delivered in January, February, and March of 2014.

The training proposals were reviewed after delivery of the course content.

Staff Recommendation(s) and Rationale(s):

Staff recommends the approval of the waiver as presented. The trainings on the attached list are in compliance with the requirements for non-KSBA provided training and board members should be granted credit for the training received.

Impact on Getting to Proficiency:

The approval of this waiver allows board members to fulfill training requirements in content areas relevant to the responsibilities of a local school board member.
