Our Approach. Our Solutions.

Ricoh believes that the key to transforming the way a company works starts with harnessing the collective imagination of people. This idea, paired with our award-winning technology and services, is how we are breathing new life into established forms of knowledge-sharing—helping companies move beyond paper and beyond the office, so employees can collaborate like never before. Services-led, technology-enabled and people-driven, Ricoh is committed to helping each customer leverage the powerful information and knowledge that already exists throughout its organization—often untamed, untapped and buried—to create the future it wants.
