Ricoh Aficio MP C2503

Color and Black/White Multifunctional Device

The Ricoh MP C2503 offers customizable tools to simplify how users in smaller offices manage everyday document management tasks. Print handouts, flyers and other collateral pieces in vibrant colors. Scan and share documents in moments with one-touch controls. Add the final touches for your next important presentation with the optional internal finisher. And perform every task with security and convenience from almost any location — even from your smartphone or tablet.

Key Features

- Fast output speed of 25 pages per minute color and black-and-white
- 2,300-sheet paper capacity
- Warm-up time less than 19seconds
- Optional 10.1" wide Super VGA Smart Operation Panel enabling users to quickly transition from one task to another with the same functionality and speed you've come to expect from today's leading smart device technologies.
- 1.5GB RAM and 250GB HDD
- Up to 166-lb index
- 1,200 x 1,200 dpi resolution
- Energy Star® compliant

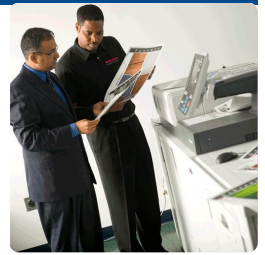

Additional Features

- Print, Scan, Copy, Fax
- 500-Sheet Internal Finisher w/stapling
- 2/3 Hole punch Unit
- Post Script
- Surge Protector

Ricoh Aficio MP 7502

Our Approach. Our Solutions.

Ricoh believes that the key to transforming the way a company works starts with harnessing the collective imagination of people. This idea, paired with our award-winning technology and services, is how we are breathing new life into established forms of knowledge-sharing—helping companies move beyond paper and beyond the office, so employees can collaborate like never before. Services-led, technology-enabled and people-driven, Ricoh is committed to helping each customer leverage the powerful information and knowledge that already exists throughout its organization—often untamed, untapped and buried—to create the future it wants.
