

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION
OF JEFFERSON COUNTY, KENTUCKY, AS FOLLOWS:

A. The Board hereby does authorize, approve, ratify and confirm the refunding program with respect to all or a portion of the School Building Revenue Refunding Bonds, Series 2006C (the "Prior Bonds"), as more particularly described in the 2014B Series Resolution (the "2014B Series Resolution" or the "Series Resolution"); and, in connection therewith, it is hereby found and declared to be necessary and appropriate that the Board convey to the Corporation the Board's right, title and interest in and to the school building facilities financed by the Prior Bonds, all of which property, projects and facilities shall be more fully described in one or more supplements to a basic lease (as more particularly described in the 2014B Series Resolution, the "2014B Lease" or the "Lease") to be executed by the Corporation and this Board. The Board hereby requests [i] that the Corporation, pursuant to Sections 162.120 to 162.300, inclusive, of the Kentucky Revised Statutes, as amended, authorize and offer at public sale its Jefferson County School District Finance Corporation School Building Revenue Refunding Bonds (the "Series 2014B Bonds"), in one or more series, the proceeds thereof to be used to finance the refunding of all or a portion of the Prior Bonds, and to be kept separate and apart from all other Corporation funds, [ii] that the Corporation take all steps it deems necessary and reasonable in connection therewith and [iii] that the Corporation accept the Board's conveyance of the aforementioned property, projects and facilities identified in the Series Resolution as previously approved by this Board.

B. The Superintendent of Schools as executive agent of the Board is hereby authorized and directed to execute and deliver to the Corporation, for and on behalf of the Board, a deed or deeds or other appropriate instruments conveying to the Corporation the aforementioned property, projects and facilities in order that the Corporation through the issuance of the Series 2014B Bonds may refinance the school building facilities financed by the Prior Bonds, in order that the Corporation may refund the Prior Bonds for the purpose of restructuring the debt service on the Prior Bonds.

C. The Superintendent of Schools as executive agent of the Board is hereby authorized and directed to make an offer to the Corporation to lease the properties on which school facilities financed with the Prior Bonds are situated, in accordance with the requirements of applicable laws and regulations and, in accordance with the approval by the Board of the Corporation's Series Resolution, to execute and deliver [i] one or more Leases to the Corporation, [ii] if applicable, one or more participation agreements or an amendment to an existing participation agreement (as more particularly described in the Series Resolution, the "Participation Agreement") to the Kentucky School Facilities Construction Commission for and on behalf of the Board and [iii] an escrow agreement (the "Escrow Agreement") relating to the deposit of proceeds of the Series 2014B Bonds with an escrow agent as contemplated by the 2014B Series Resolution until the earliest practicable time at which the Corporation can apply such proceeds to the payment and retirement of the Prior Bonds.

D. The Treasurer of the Board is hereby authorized and directed to advance to the Corporation such funds as are necessary in order to fund the refunding projects approved hereby until such time as the Series 2014B Bonds are issued, subject to the Corporation's agreement to repay such advances from the proceeds of the Series 2014B Bonds; it being

acknowledged the exclusive source of moneys for the refunding of the Prior Bonds is expected to be the proposed Series 2014B Bonds to be issued.

E. Unless and until this authorization shall be revoked by this Board or any future Board (inasmuch as the Board cannot legally obligate itself beyond the current year), the Treasurer of the Board is hereby authorized to establish and transfer during each fiscal year to the "School Building Fund" in accordance with KRS 160.476, sufficient general fund monies to meet the debt service requirements on the Bonds in such year. For this purpose, "sufficient funds" for a year means the difference between the total of all debt service requirements on the Bonds and the sum of [i] the district's SEEK capital outlay (80%), [ii] the five cent equivalent tax and [iii] the FSPK equalization for that year.

F. The Board hereby accepts the appointment of the Corporation to act as its representative and agent to acquire, in its discretion, such properties as may be necessary to carry out the projects approved hereby at all the properties which are the sites of such projects, and to execute such documents as may be necessary and reasonable in order to acquire such properties.

G. The Board of Education hereby approves, ratifies and confirms the resolutions of the Corporation authorizing the preparation of the 2014B Series Resolution and all documents and actions necessary to proceed with the offering of the Bonds for sale with competitive bidding.
