

SHINE Program

Highlights from the Summer Enrichment Program

- Five weeks of enrichment for students in K-6
- All five weeks had the maximum number of students enrolled: 125 students each week
- Students were served a free breakfast and lunch
- Daily lessons in language arts, math, science, social studies, the arts, and technology
- Daily physical fitness for all students
- High school and adult volunteers helped in classrooms
- Field Trips included: Tom Gaither's Art Studio, the Cincinnati Art Museum, the Reds Hall of Fame and Tour of Great American Ball Park, the Cincinnati Zoo
- Cool Guests who visited our classrooms: Sanitation District 1, Pam Miller's Water Color Lessons, COSI on Wheels (Center of Science & Industry in Columbus), Drake's Planetarium brought their mobile Planetarium & a Lego Lab, Mr. Frevola visited with his many snakes, Paul Anglin brought the Nerf Olympics
- The Kenton County Public Library visited weekly and brought a fun craft or project for the students to do during lunch. They also brought a mobile library and allowed students to check out books for the week.
