

Kentucky Educational Collaborative For State Agency Children (KECSAC)
Eastern Kentucky University
Memorandum of Agreement
Overview

Legislation enacted by the Kentucky General Assembly in 1992 (SB260) and 1994 (HB826) established KECSAC and defined "state agency children" (SAC) and the role of school districts in the provision of services to these youth (KRS 158.135). Subsequent regulations provide the foundation for the Memorandum of Agreement (MOA) between KECSAC (administered by the Eastern Kentucky University, College of Education) and the school district providing educational services to state agency children.

Working in cooperation with the Kentucky Departments of Education (KDE); Juvenile Justice (DJJ); Behavioral Health, Developmental and Intellectual Disabilities (BHDID); Community Based Services (DCBS); and Local Education Agencies, KECSAC annually requires that each school district submit the following items as attachments for each program to this MOA:

- **ATTACHMENT 1** - A total budget for the education of state agency children in the treatment programs in project budget report MUNIS format.
- **ATTACHMENT 2** - A comprehensive annual budget for the state agency children educational program.
- **ATTACHMENT 3** - A completed Program Educational Calendar Worksheet.
- **ATTACHMENT 4** - A plan for making up any of the 210 instructional days due to inclement weather or other district planned events.
- **ATTACHMENT 5** - A completed SEEK Calculation Worksheet.
- **ATTACHMENT 6** - A current 2014-2015 Interagency Agreement between the school district and treatment program (not required for Department of Juvenile Justice programs).
- **ATTACHMENT 7** - A Program Improvement Plan (PIP).
- **ATTACHMENT 8** - Implementation and Impact Check, based upon 2013-2014 Program Improvement Plan.
- **ATTACHMENT 9** - A Student Transition Plan (STP).

The MOA and attachments form the basis for the operation and distribution of State Agency Children's Funds (SACF) for the delivery of education services to SAC.

State Agency Children as defined in KRS 158.135 are:

1. (a). Those children of school age committed to or in the custody of the Cabinet for Families and Children and placed, or financed by the cabinet, in a Cabinet for Families and Children operated or contracted institution, treatment center, facility, including those for therapeutic foster care and excluding those for nontherapeutic foster care; or
(b) Those children placed or financed by the Cabinet for Families and Children in a private facility pursuant to child care agreements including those for therapeutic foster care and excluding those for nontherapeutic foster care;
2. Those children of school age in home and community-based services provided as an alternative to intermediate care facility services for the mentally retarded; and
3. Those children committed to or in custody of Department of Juvenile Justice, and placed in a department operated or contracted facility or program.

The passage of SB260 in 1992 envisioned KECSAC as serving youth in state operated or contracted residential and day treatment programs. With the passage of HB826 in 1994, a diverse array of treatment programs were brought under the SAC definition. With the passage of HB117 in 1996, KECSAC services were extended to youth under the care of the Department of Juvenile Justice. For the purposes of this MOA and the operation of SAC education programs, the following definition of on-site education programs is provided:

Definition of On-Site Education Programs

An on-site state agency children education program exists when more than fifty percent (50%) of the eligible state agency children in the program are provided with educational services at the treatment program by a local school district on December 1st.

The educational programs that serve SAC must meet the special needs of students who, upon exiting a public or private treatment program in the Commonwealth, will return to a public school setting as well as those who will enter the work force or some other alternative program.

The original signed copy of the KECSAC MOA and attachments should be returned to the KECSAC office at Eastern Kentucky University, prior to September 15, 2014. KECSAC and University officials will affix final signatures to the documents and return a final signed MOA to the School District. The school district will not receive reimbursement until all required information is submitted to complete the MOA. A confirmation of receipt of the MOA will be sent to the school district by KECSAC. A final signed copy version will be returned to the school district after submission of completed MOA.

The local school district that contracts with KECSAC to provide educational services to SAC must provide an equal and equitable education to students in KECSAC programs. This includes equitable resources such as textbooks, teaching materials, technology materials, support and maintenance.

- Follow the inclement weather schedule with the contracted school district.
- Take a proactive approach and plan for additional instructional days and plan for at least ten (10) of those days for inclement weather. For example, a day treatment cannot open for an instructional day when a school district has closed due to inclement weather; however, professional development for teachers can be coordinated and planned for those unexpected days in order to meet the 210 instructional days.
- Submit the school district approved inclement weather plan with the approved KDE school calendar email (Attachment 3).

STATE AGENCY CHILDREN INTERAGENCY AGREEMENT
between the
JEFFERSON COUNTY BOARD OF EDUCATION and MARY JO AND WILLIAM
MARYHURST ACADEMY

Pursuant to the Legislation, MARYHURST and the Department for Community Based Services in the Kentucky Cabinet for Health and Family Services have entered into a Private Child Care Agreement (the "PCCA") under which the MARYHURST has contracted with the Commonwealth of Kentucky to provide residential services to SAC at the MARYHURST facilities in Jefferson County for the period from July 1, 2014 to June 30, 2015. These residential services are outlined in the PCCA and include, among other requirements, providing adequate food, shelter, clothing, incidental expenses, affection, training, recreation, education, services that are consistent with their ethnic and cultural background, and opportunities for religious, spiritual, or ethical development in the faith of the child's choice, if any.

Pursuant to the Regulations, KECSAC and JCPS have entered into a Memorandum of Agreement dated as of July 1, 2014 (the "KECSAC MOA") which forms the basis for the operation and distribution of SAC funds for the delivery of educational services by JCPS to SAC residing in Jefferson County during the state Fiscal Year 2015 (July 1, 2014-June 30, 2015).

The Regulations and the KECSAC MOA provide that JCPS shall develop an interagency agreement, including program goals and objectives, between JCPS and each provider of residential services to SAC in Jefferson County regarding their mutual responsibility for education and care of SAC.

This Agreement is intended by JCPS and MARYHURST to form the basis for a cooperative relationship between MARYHURST as providers of residential services to SAC in Jefferson County and JCPS as the agency responsible for the provision of educational services to the SAC residing within Jefferson County at MARYHURST facility.

It is the mutual goal and intention of MARYHURST and JCPS to maintain the needs of each child or youth residing at the MARYHURST facility as the priority in fulfilling this Agreement. This Agreement is intended to foster the provision of coordinated and high quality educational and residential services to the SAC residing at MARYHURST. It is not meant as a way to inhibit either JCPS or MARYHURST in meeting their respective goals, but rather to foster a collaborative approach to services on the part of both JCPS and MARYHURST. The content of this Agreement is intended to be mutually beneficial to both parties while meeting the educational needs of SAC.

AGREEMENTS

1. **Duties of JCPS.** JCPS agrees to provide the following services and take the following actions:
 - A. Provide educational services with staffing determined appropriate by JCPS at MARYHURST's facility for all school-aged residents of MARYHURST's facility who are not enrolled in a regular Jefferson County school, consistent with the students' educational needs, the Individual Educational Plan (IEP) of any student, and federal and state law. JCPS, acting as the educational agency, shall review the staffing levels of the educational program and provide appropriate staff to meet the educational needs of SAC. The staffing assessment should be consistent with assessments used to determine appropriate staffing levels at other JCPS facilities. This may include teaching staff, teacher's aides, school resource officers, behavioral specialists, other JCPS employees or JCPS contracted employees necessary to meet the educational needs of the SAC at MARYHURST while providing a safe educational environment.
 - B. Provide professional development training for JCPS staff in a consistent manner as other JCPS employees and collaborate with MARYHURST staff to coordinate professional development programs where both parties may benefit from participating together. This may include collaborative behavior management training, professional learning communities, or other models as part of the professional growth plan of JCPS staff.
 - C. Provide a curriculum that is aligned with the Kentucky Core Academic Standards established in 704 KAR 3:303, and the student learning goals in the ILP, as established in 704 KAR 19:002.
 - D. Provide that SAC residing at MARYHURST shall be eligible to access extracurricular activities as allowed by local district and/or school council policies and by 702 KAR 7:065 or other applicable organization rules, as established in 704 KAR 19:002.
 - E. Monitor, in conjunction with MARYHURST staff, the cafeteria in MARYHURST's facility.
 - F. Provide staff to assist MARYHURST's staff in student recreational breaks at MARYHURST's facility during the school day.

- G. Collaborate with MARYHURST to determine future location of educational services for SAC residing at MARYHURST. The mutually beneficial relationship of providing educational services onsite at MARYHURST should be reviewed annually to determine the appropriate location for educational services. The best interest of the SAC and the partnering agencies should be a driving force for this ongoing collaborate partnership.
- H. Notify MARYHURST of JCPS staff development activities relative to the educational services provided by JCPS under this Agreement and offer the opportunity for attendance by MARYHURST staff.
- I. Attend MARYHURST meetings, during the regularly scheduled school day, relative to the educational services provided by JCPS under this Agreement and provide a JCPS staff person and/or a written summary of educational services for each treatment team meeting.
- J. Notify MARYHURST staff of JCPS meetings scheduled relative to the design or review of JCPS educational services for individual students under this Agreement.
- K. Collaborate with MARYHURST in the design, implementation and/or revision of behavioral interventions in the educational program setting and facilitate the consistent application of such interventions at MARYHURST's facility if such interventions are appropriate for use in MARYHURST's facility.
- L. Collaborate with MARYHURST to mutually develop, agree and implement a plan for addressing students in crisis behaviors that may occur in the school setting at MARYHURST facility; this shall include the supervision of residents/students by both MARYHURST and JCPS.
- M. Develop and maintain an ongoing system of communication with MARYHURST on a schedule that is appropriate to the educational needs of each resident of MARYHURST's facility.
- N. Notify MARYHURST of any incident involving a resident of MARYHURST'S facility occurring in the educational program setting of a disciplinary nature or

otherwise likely to affect the resident's behavior upon returning to the residential setting in MARYHURST facility.

- O. Assure that any resident of MARYHURST's facility suspected of having an educational disability will be referred, evaluated, and if appropriate, provided special education services in accordance with state and federal requirements, JCPS procedures and an IEP. All evaluations will be completed as soon as practicable after a SAC is admitted to MARYHURST's facility and shall be consistently managed with other JCPS educational disability referrals (i.e. if evaluated, SAC will be referred, evaluated, and if appropriate, provided special education services in a timely manner when compared to non-SAC students in JCPS).
- P. Notify MARYHURST of any suspected medical, mental health, or hygiene condition a resident of MARYHURST's facility manifests to JCPS staff.
- Q. Staff and monitor the Alternative Learning Environment (ALE) Room during the school day for students to receive individual interventions and/or time to complete classroom assignments. MARYHURST has provided adequate facilities for such purpose in the MARYHURST's educational program facilities.
- R. Develop a process, in collaboration with MARYHURST, and initiated through the JCPS site administrator, to address the placement planning for MARYHURST students to attend regular JCPS schools. The Exceptional Child Education ("ECE") policies and procedures of JCPS will be followed for all special education students. JCPS will invite appropriate MARYHURST staff to attend student placement meetings. School placement decisions will be made by the appropriate special education committee for special education students or JCPS staff for students who are not special education students.
- S. Should a student at MARYHURST, upon recommendation of JCPS staff, be transitioned to a non-SAC educational program, JCPS will coordinate with MARYHURST to determine appropriate transportation services.
- T. Provide JCPS staff with the appropriate and applicable Behavioral Management and Safe Crisis Management requirements of the Kentucky Department of Education, 704 KAR 7:160.

- U. Provide instructional goals and objectives for the education of SAC as required by the KECSAC Memorandum of Agreement.
 - V. Agree to one or more methods of resolution by the parties of disputes or issues not covered by this Agreement, either formal or informal, e.g., meetings, telephone conferences, letters, mediation, and/or email communication.
2. **Duties of MARYHURST.** MARYHURST agrees to provide the following services and take the following actions:
- A. Provide residential treatment services as set forth in the PCCA between MARYHURST and the Cabinet for Health and Family Services.
 - B. Provide appropriate educational facilities on campus which are suitable for educational endeavors and conducive to providing a safe learning environment.
 - C. Provide crisis stabilization during the school day when required to ensure the safety and security of residents of MARYHURST.
 - D. Administer medications pursuant to the PCAA for children in the care of MARYHURST to ensure a safe and secure educational setting for residents of MARYHURST. PCCA 1 (dd) (iii), notes that MARYHURST will "give children all medications that have been prescribed by a physician in the amounts and at the times directed by the physician. Ensure that adequate supplies of medications and/or prescriptions go with children upon discharge. The Agency shall have written policies and procedures regarding proper medication administration, storage, and disposal. Medication administration and disposal shall be documented in each child's medical file."
 - E. Provide breakfast and lunch for all students at MARYHURST through the federal USDA National School Lunch Residential Child Care Institution program, of which MARYHURST is already a participating member receiving reimbursement for breakfast, lunch and snacks. MARYHURST will continue participating in the program, as long as federal guidelines allow. JCPS, according to the Kentucky Department of Education state school lunch coordinating office, is not presently permitted to seek reimbursement for nutritional services provided at non-JCPS owned facilities.

- F. Collaborate with JCPS to determine future location of educational services for SAC residing at MARYHURST. The mutually beneficial relationship of providing educational services onsite at MARYHURST should be reviewed annually to determine the appropriate location for educational services. The best interest of the SAC and the partnering agencies should be a driving force for this ongoing collaborate partnership.
- G. Collaborate with JCPS in the design, implementation and/or revision of behavioral interventions in the educational program setting and facilitate the consistent application of such interventions at MARYHURST's facility if such interventions are appropriate for use in MARYHURST's facility.
- H. Collaborate with JCPS to mutually develop, agree, and implement a plan for addressing students in crisis behaviors that may occur in the school setting at MARYHURST facility; this shall include the supervision of residents/students by both MARYHURST and JCPS.
- I. Notify JCPS of any incident involving a resident of MARYHURST's facility occurring in the residential program setting of a disciplinary nature or otherwise likely to affect the resident's behavior upon returning to the educational setting in MARYHURST's facility. In order to protect the confidentiality rights of residents, the specifics of the incident might not be communicated.
- J. Notify JCPS of any recommendation for a MARYHURST resident to be placed in a traditional, non-SAC public school.
- K. Provide JCPS all pertinent student records and information permitted and available prior to requesting the admittance of the student into the educational program. The educational program staff will be informed of disciplinary actions taken by other school systems as made known to MARYHURST staff prior to placement, or any other prior activity of the student as made known to MARYHURST staff which could affect the safety of other JCPS students or JCPS staff. This information will be used by JCPS to arrange for needed services and not to serve as the basis of denial of educational services.
- L. Notify JCPS of regularly scheduled or specially scheduled meetings for case review and offer sufficient notice and opportunity for school staff participation

(either in person or in the form of a written report) in relation to educational issues, placement planning conferences and aftercare planning.

- M. Assure JCPS that ongoing communication will be maintained between MARYHURST staff and JCPS staff assigned to MARYHURST's facility on a schedule that is mutually determined based on the needs of each student/resident.
- N. Notify JCPS of all staff development sessions, including MARYHURST trainings, scheduled for MARYHURST staff pertaining to services for school-aged children or youth and offer the opportunity for JCPS staff to participate.

- R. Monitor, in conjunction with JCPS staff, the cafeteria in MARYHURST's facility.
- S. Assure that each student's health and hygiene will be maintained and notify JCPS of any student's condition which may affect student behavior or performance. Should a student be comparably ill compared to students in non-SAC educational settings whereas that student would be removed from the classroom, MARYHURST will promptly remove sick children from the educational setting.
- T. Agree to one or more methods of resolution by the parties of disputes or issues not covered by this Agreement, either formal or informal, e.g., meetings, telephone conferences, letters, mediation, and/or email communication.
- U. Agree to notify and advise all residents/students of MARYHURST's facility that students will follow the JCPS *Code of Acceptable Behavior and Discipline* during the school day.

-
- V. Provide adequate facilities for the Alternative Learning Environment (ALE) at MARYHURST in order for JCPS to staff and monitor the Alternative Learning Environment (ALE) Room during the school day for students to receive small group instruction when necessary.

- B. Parties in Interest; Assignment. All provisions of this Agreement will bind and inure to the benefit of JCPS and MARYHURST and their respective agents, assigns, successors and personal representatives, whether so expressed or not. Neither party may, however, sell, assign, transfer or otherwise convey any of its rights or delegate any of its duties under this Agreement to any other person or entity, without the prior written consent of the other party, except to an entity which has succeeded to substantially all of its business and assets and has assumed in writing its obligations under this Agreement, or the entity surviving a consolidation or merger to which it is a party. Any attempted sale, assignment, transfer, conveyance or delegation of duties in violation of this paragraph will be void.
- C. Status of Parties. The Agreement will not be construed to constitute either party as an agent, partner or joint venture of the other party; to authorize or empower either party to assume or create any obligation or responsibility, express or implied, on behalf of the other party; or to authorize or empower either party to bind in any manner or make any representation, warranty, covenant, agreement or commitment on behalf of the other party.
- D. Entire Agreement; Amendment; Waiver. Either party to this Agreement may in writing [i] extend the time for the performance of any obligations of any other party; [ii] waive performance of any obligations

by any other party; and [iii] waive the fulfillment of any condition that is precedent to the performance by the party of any of its obligations under this Agreement. No such waiver will be deemed to be continuing or to apply to any other instance or to constitute the waiver of any other term or condition of this Agreement in that or any other instance. The failure of a party to insist upon strict compliance with any provision of this Agreement on one or more occasions will not be considered a waiver and will not prevent that party from insisting upon strict compliance with that provision or any other provision of this Agreement.

- E. Third Party Rights. This Agreement does not create, and will not be construed as creating, any rights enforceable by any person not a party to this Agreement.
- F. Governing Law. This Agreement will be governed by and construed in accordance with the laws of Kentucky, without giving effect to its conflict of laws rules.
