

## Financial Aid Report September 2014

School	Issue	Questions	Interview	Response	Result
A	Report showed that the school is using Free and Reduced lunch applications for the purpose of reduction in Tuition	Is the the money you reported actually tuition? Or is this report the "We Wanna Play" money for sport team bundle reduction?	AD	They do have tuition reduction for out of district kids. The amount of reduction is determined by the district office and the basis that is used is the application for free and reduced lunch.	Letter Issued
B	Report shows that the school has a committee that determines financial aid.	Is this accurate? If not, what agency is used? If this is accurate, do any of these students receiving financial aid play KHSAA sanctioned sports?	AD	They do use a committee, but AD was unclear as to make up. He confirmed they didn't use an aproved agency.	Letter Issued
C	Report shows that the school does award tuition reduction by a grandfathered clause.	How many students are there that receive this reduction? Do any of these students play KHSAA sanctioned sports?	AD	If out of district student has been coming to the county school since 3rd grade (for example) they never get a yearly increasase.	No issue
D	Report shows that the school has a committee that determines financial aid.	Is this accurate? If not, what agency is used? If this is accurate, do any of these students receiving financial aid play KHSAA sanctioned sports?	AD and business office mgr	Business Office confirmed that no outside agency is used and it is likely that students who receive financial aid do play sports. Total of 28 students.	Letter Issued
E	Report shows using Free and Reduced lunch for finanacial aid basis	What is the Free and reduce lunch app used for?	AD	Just "We wanna play" No reductions in tuition.	No issue
