The amounts below have been awarded. The timeframe for the expenditure of SIG funds runs July 1, 2014 through June 30, 2017.

The approved allocations for the JCPS district and Cohort 3 priority schools are:

SIG applications were reviewed by a cross-agency team whose members represent various offices in KDE. The team reviewed the applications for compliance with federal guidance as well as effective school improvement practices. The team came to consensus for approval. In accordance with federal guidance, KDE will post all approved SIG applications to the KDE website within 30 days of approval.

The district may begin implementing the SIG plan immediately; however, funds will not be available until July 1, 2014. Any revisions to the budget or the plan

should be sent to title1reports@education.ky.gov and must be approved prior to implementing the changes.

Districts will be reporting progress toward meeting annual goals on a quarterly basis. A schedule for reporting data will be set by the Office of District 180.

Please feel free to contact me or Education Recovery Director, Deborah Powers, should you have questions or need assistance with the SIG funds and implementation process.

We look forward to working with you in the future to ensure high achievement for students.

Sincerely,
