surveyId=8860582&questionId=10971)

Special education and related services are provided in a manner consistent with policies and procedures required by the Individuals with Disabilities Education Act (IDEA) Part B. These policies and procedures address: free appropriate public education, child identification, due process, evaluation, eligibility, individual education programs, placement in least restrictive environment, delivery of services, confidentiality, non-public school, comprehensive system of personnel development, and IDEA-B funds.

Respond
(/assist/s/diagnostic/answers/next?
surveyId=8860582&questionId=10972)

A goal of full educational opportunity has been established for all children with disabilities, aged three (3) to twenty-one (21).
