13. PROFESSIONAL DEVELOPMENT ASSURANCES (FLEXIBLE FOCUS FUND)

« Back to KDE District Funding Assurances (/assist/s/diagnostic/view?surveyId=8860582)

Each assurance question must receive a Yes, No, or N/A response. Select N/A only if the question does not apply to your district.

✓ Denotes an answered response

Summary of all responses	
Respond (/assist/s/diagnostic/answers/next?surveyId=8860582&questionId=10987)	The district certifies that each teacher participates in high quality professional development and that instructional improvement and training needs of staff are addressed in accordance with the goals in KRS 158.6451.
Respond (/assist/s/diagnostic/answers/next?surveyId=8860582&questionId=10988)	School and districts will adhere to professional development options embedded in their school or district improvement plans as professional development programs are implemented under KRS 158.070.
Respond (/assist/s/diagnostic/answers/next?surveyId=8860582&questionId=10989)	The district certifies that all persons affected by the professional development program are represented or included on the school and district planning teams.
Respond (/assist/s/diagnostic/answers/next?surveyId=8860582&questionId=10990)	The district certifies that the local professional development coordinator is qualified for that position and provides technical assistance to school councils, staff members and professional

	development committees as described in Section 5 of 704 KAR 3:035.
Respond (/assist/s/diagnostic/answers/next?surveyId=8860582&questionId=10991)	Professional development funds are expended and accounted for as required in 704 KAR 3:035 and funds are used for needs identified in the school and district planning process.
