## 14. TEXTBOOKS AND INSTRUCTIONAL MATERIALS ASSURANCES (FLEXIBLE FOCUS FUND)

« Back to KDE District Funding Assurances (/assist/s/diagnostic/view?surveyId=8860582)

Each assurance question must receive a Yes, No, or N/A response. Select N/A only if the question does not apply to your district.

✓ Denotes an answered response

### Summary of all responses

Respond  
(/assist/s/diagnostic/answers/next?  
surveyId=8860582&questionId=10992)

The district certifies that the textbook/instructional materials purchasing plans for all schools serving grades P-8 have been approved by the appropriate school councils and the local board of education and are on file in the district office. The plans address the requirements as stated in KRS 156.439 and 704 KAR 3:455.

Respond  
(/assist/s/diagnostic/answers/next?  
surveyId=8860582&questionId=10993)

The district certifies that an annual report and summary of expenditures for textbooks and instructional materials is available on the district's MUNIS report. The annual report addresses the requirements as stated in KRS 156.439 and 704 KAR 3:455.
