The local board of education and the district have approved and disseminated procedures whereby pupils who have a greater need as determined by the eligibility criteria as stated in KRS 158.070 and 704 KAR 3:390 shall be referred and selected first to receive extended school services. The district further ensures that students who have greater academic need as stated in KRS 158.070 and 704 KAR 3:390 are not excluded from referral or selection for extended school services due to the inability of the parent or student to provide transportation to or from the school or site of extended school services programs.

Such salary is for direct services to the Extended School Services program. No ESS staff member is paid more than his/her actual hourly rate for a comparable position in the regular program.
Respond (/assist/s/diagnostic/answers/next? surveyId=8860582&questionId=11029)	The district has written criteria for the selection of ESS staff (certified and classified). ESS teachers and other ESS staff are first employed based on having the specific expertise to meet the needs of the students being served. All other criteria for employment are both fair and equitable to applicants.
