Subject: 2 Dish Machines

I wanted to give you a heads up that I will be sending out a bid request on Monday or Tuesday for 2 dish machines. I apologize for the short turn around, but I will need them returned by December 5, 2014. I am asking that each bidder make site visits to make sure they fully understand what they need to bid to make sure the machine is installed properly and completely working by January 31, 2015.

1. West Hardin Middle School, 10471 Leitchfield Road, Cecilia, KY 42724
2. Bluegrass Middle School, 170 W. A. Jenkins Road, Elizabethtown, KY 42701

You will need to look closely at the dish machine vent also to make sure the replacement machine connects properly.

I will send out the entire bid on Monday or Tuesday to include the voltage, etc.

Bidder will be responsible to make sure dishwasher will fit current clean dishtables and existing condensate duct.

My office can assist you in visiting the schools.

Bidder will also be responsible for making sure electrical requirements are correct.

Hardin County School's maintenance department will make all electrical connections.

Dish Machine needs to be installed and operational no later than January 31, 2015
