Re: December School Board Meeting

Dear Gary:

Sherman Carter Barnhart (SCB) will be present at the board meeting on Thursday, December 18, 2014, at which time we will report on the construction progress at Hardin County Schools Early College and Career Center, Vine Grove Elementary, and Meadow View Elementary. We will also provide an update on projects currently in design and production and status of Hardin County school projects nearing project closeout.

**Cecilia Valley Elementary**

SCB will be present to discuss preliminary building siting and schematic options for both a two story and two story walk-out plans along with utilities and location.

**Central Hardin High School Softball**

SCB will present Construction Document Submittal (BG-2, BG-3, and Construction Documents) for approval.

**North Hardin High School - Phase 7**

SCB will update the board on the status of the North Hardin High School Phase 7 project and the projected bid schedule.

**Hardin County Schools Early College and Career Center**

***This project has achieved Substantial Completion.***

Morel Construction has corrected the stained polished concrete floors. The lower level floor is acceptable. The upper level floor will require additional work by the Contractor. SCB will update the board of education on the meetings held with the Contractor to discuss the stained polished concrete flooring. SCB will be present at the board meeting to discuss the status of the punchlist completion and any outstanding issues.

**Vine Grove Elementary School - Phase II**

*This project has achieved Final Completion.*

**Meadow View Elementary HVAC Renovation**

*This project has achieved Substantial Completion.*

SCB will be present at the board meeting to discuss the status of the punchlist completion and any outstanding issues.

**Hardin County Schools District Facility Plan**

SCB has completed the building inventories and forwarded all initial findings to the district for review prior to the first Local Planning Committee meeting.

**Projects Nearing Closeout (Radcliff Elementary School)**

SCB has contacted Schnell Contracting to conduct a third party review of the west exterior wall of the building. The contractor will review the flashings, brick stain, and overall condition of the facade. SCB hopes to be able to present the initial findings from Schnell Contracting at the noon meeting.
