Science PLC Chair
Newburg Middle School
4901 Exeter Avenue
Louisville, KY 40218

Dear Molly:

On behalf of Verizon Foundation, I am pleased to enclose support for the Newburg Middle School in the amount of \$20,000. This represents **Verizon Innovate Learning Award** funding toward *its Inspiring Innovation through Imagination STEM Summer Camp*.

We recognize the School's leadership to raise awareness, improve education and learning experiences for its students. We are excited that this program offers an atmosphere with hands-on activities and project-based curriculum that will increase interest and enthusiasm, as well as providing the knowledge and skills, to explore diverse STEM careers. We are happy to play a role in its mission to help achieve its goals to expand and enhance its programs for the students ... our future leaders.

On behalf of Verizon, we wish the Newburg Middle School continued success in all its innovative and educational endeavors. I'd like to talk with you about the appropriate time to discuss a formal announcement of our partnership with a visit by Verizon – perhaps at a time to do photos and have the students tell the story of their experience. Let me know and we can coordinate together. I'll wait to hear from you.

Sincerely,

A handwritten signature in blue ink that reads "Denise".

A handwritten note in blue ink that reads "Ps. Molly, wishing you happy holidays!".
