

Vending Machines

REQUEST

Vending machines will be installed in the school only at the request of the Principal and subject to approval by the Associate Commissioner of the Office of Career and Technical Education or his/her designee.

BIDDING

Area Technology Centers are to follow the Kentucky Model Procurement Code contained in KRS Chapter 45A for the procurement and servicing of vending machines.

STUDENT USE

Vending machine use by students shall be in compliance with current federal and state regulations.

For students at the high school level, only school-day-approved beverages may be sold in vending machines during the school day, e.g. (water, one hundred percent [100%] fruit/vegetable juice, low-fat milk (unflavored), non-fat milk (unflavored or flavored) as permitted by the school meal requirements.

In addition to the beverages listed above, other beverages as allowed in 7 C.F.R. Parts 210 and 220, and state law and regulation, (whichever is more restrictive) may be available in vending machines at the high school level.

Size of beverages shall not exceed twenty (20) ounces for high schools.

SALES

Any sales from vending machines shall be in compliance with applicable state and federal law and regulation. Specifically, competitive foods or beverages shall not be sold from vending machines from midnight before until thirty (30) minutes after the last school lunch period of the school day. From thirty (30) minutes after the last lunch period closes until thirty (30) minutes after the school day, food and beverages sold must conform with nutritional standards specified in state and federal regulations.
