

GALLATIN COUNTY HIGH SCHOOL

DEPARTMENT
OF
AGRICULTURE

December 17th, 2014

Members of the Gallatin County Board of Education

Dear Sir or Madam:

We, the Agriculture Construction class, respectfully request your permission to accept a donation from Rob and Jackie Scott. The donation of 2x4s, sand paper, and wood putty was given to the class in order to maintain the shop work benches. This donation will teach the students how to maintain and improve what resources we have.

We, the Agriculture Construction class, respectfully request your permission to accept a donation from Rob and Jackie Scott, of saw blades (for coping, hack saws, and jigsaws) and 5 Philips head screw drivers. Those items were desperately needed for wood working projects in class.

Sincerely,

Cortney Scott / Cortney Y. Scott

Cortney Scott
Agriculture Educator
