

2016 DRAFT BUDGET REVIEW

SEEK Forecast based on Trend Data submitted to Frankfort-- 795 ADA. The State uses these numbers (ADA/At Risk/Child Counts/Assessments) to forecast our FY16 SEEK dollars. After June 30th calculations are made to our SEEK and then adjusted to reflect final numbers. Our SEEK per pupil will increase from \$3911 to \$3981. This will help pay for 1% raises--the district will fund the other 1% of the 2% currently mandated. We have not heard any final information if SEEK will be reduced again next year. We were reduced this year by \$14,230, but our Growth of 59.5 in ADA gave us an additional \$232,763 in Base SEEK funding for this year. Our growth continues to look good. We are at 915 students as of last week--ADA of 831.

A 4% tax levy should bring in \$50,000 at current assessment. We should hear back from PVA in next few weeks on the tax assessment for Dayton--may have a slight increase in assessment with the Riverfront property currently under construction.

Additional Revenue compared to current year budget:

Add'l Capital Funds	\$ -10,596 (increase in ADA and FSPK)

Possible funds available based on Needs Assessments for FY16:

\$ 114,000

Additional Information to Keep in Mind:

Tax Assessment in Fall ?
Seek Cut for FY16 ?
Enrollment at year end (ADA) ?
Retirements/Attritions ?

With the above adjustments in the budget, we still will have a Contingency of **4.84%**

Other Funds in DRAFT

Fund 21 – DISTRICT ACTIVITY FUNDS (Page 15)

New Fund created that will include those funds that the schools cannot keep in their accounts per new REDBOOK rulings. We are currently working with bookkeepers and principals to determine the amounts that need to be moved. The schools will still have access to their funds, but it will be in the Board's bank account and accessed through the MUNIS software as they currently do with their SBDM funds.

Fund 310 – CAPITAL OUTLAY FUND (Page 16)

Using projected ADA of 795 X \$100. Will use \$19,477 for Debit Service payments and remaining will be requested to use for General Expenses (HVAC Maint Contract/Property Insurance, etc). KDE approves this process for FY2016.

Fund 320 – BUILDING FUND (Page 17)

Based on Tax Assessment, ADA and FSPK participation. Increase of \$12,600 from current year. Budgeted for bond payments entirely.

Fund 400 – DEBT SERVICE FUND (Page 18)

These funds are transferred from Capital Outlay and Building Fund to pay the bond payments. See list of current pays and future payments in worksheets. Total Bond payments for FY16 - \$ 317,204

Fund 51 – FOOD SERVICE FUND (Pages 19, 20)

Food Service continues to do well with participation and funding. This includes 2% raises and projected revenues with carryover to total \$841,000.

Fund 52 – DAYCARE FUND (Page 21)

Daycare fund will run very close to zero at year end. We continue to monitor, as the number of children attending does fund the Daycare program.

*This is a new fund created to accommodate the new REDBOOK Activity fund rules. Only student generated monies can be kept at the school level and cannot be spent for operational expenses. Operational expenses can include any software, supplies, computers -- anything required for basic instruction. Therefore, all fee monies and grants will be coming to District Funds. The schools will still have access to spending the funds via our MUNIS accounting software as they currently do with their SBDM funds. We are in the process of identifying those funds currently in the schools accounts this year that will need to be transferred to board acct. This will be an ongoing fund accounting system for the District Activity Funds.
