Julian,

At our advisory council meeting this past Wednesday I had the opportunity to speak with Jerry Wyman about inviting the 5th place team in 5A district 4, to be the 4th place team for district 5. District 5 currently has 3 teams with Grant County dropping out of district play. This would allow all four participants in district 6 to have a first round playoff game.

This scenario has been used effectively in 6A. Jerry was in favor of this proposal. Please let us know if there is anything else you would need us to do.

Thank you very much and have a great weekend!

Mark
