**1. Call to Order**

**2. Agenda Items**

**2.1. SBDM Councils to Review Needs Assessment**

Rationale:

The Needs Assessment Summary is a list of needs for the 2015-2016 school year that was created by the school councils and the district leadership team. All items on this list will be considered, however, the list is too large to address all of the needs in the 2015-2016 school year.

The salary information provided was used to inform the board as to how our current salary scales compare to other districts. No decisions were made regarding the 2015-2016 salary scale.

**3. Adjournment**
