**Re: Dawson Springs Independent District Facilities Plan – Waiver Request
Extend the current DFP from June, 2007 to June, 2019**

Dear Mr. Whalen:

We are in receipt of the minutes from your Local Planning Committee and local board sent by your district to verify your waiver process.

It has been less than eight years since you developed your last plan and upon review of the DFP it appears to accurately represent your current conditions.

This aligns with the requirements noted in 702 KAR 4:180 and as such your request to waive your District Facilities Plan is approved. Your next is scheduled to be considered at the June, 2019 KBE Meeting.

A copy of your current plan with the waiver noted is enclosed. If there are any errors in the plan, it is not the plan that you current have on file or if you have any questions, please do not hesitate to contact this office.

Sincerely,

A handwritten signature in black ink, appearing to read "Gregory C. Dunbar".
