C. Provide a complete narrative of the proposed project. The proposed project includes a full HVAC and lighting renovation at Lebanon Middle School. In addition to this scope of work, there are multiple lighting upgrades (gymnasiums, bus garage, exterior lighting) across the District. Water heaters are being replaced at Marion Co. HS, Lebanon MS, and the fitness center. Existing DDC control systems are being re-commissioned. Building envelope upgrades will be performed at Calvary ES, Lebanon ES, and the bus garage to reduce infiltration and excessive heat loss. Refer to the RFP Response for more detail of project scope.

D. Proposed work related to the project but excluded from the scope of this BG1: _____
