Subject: Board Request

I have a board request for an overnight trip for State FBLA Competition April 20-23. Whatever students qualify for state from the Regional FBLA Conference on March 10th will attend along with myself and a male chaperone. We will be staying at the Galt House Hotel in Louisville, KY. We will take a bus or van. Students will help pay for their trip, as well as money raised from fundraisers.

Thanks,
