

**APPROVAL OF BID, INTERIM AND PROPOSED CONTRACTS,  
AND A REVISION TO THE BG-1 PROJECT APPLICATION  
FOR THE CONSTRUCTION OF THE  
NEW ELEMENTARY SCHOOL AT INTERSECTION OF  
GEORGETOWN AND SPURR ROADS  
(2550 GEORGETOWN ROAD)  
BG 14-128**

**BACKGROUND AND RATIONALE:** The construction of the new elementary school to be located on 15 acres at the intersection of Georgetown and Spurr Roads is listed as priority 1a.5 on FCPS's 2013 District Facility Plan. Clotfelter-Samokar Architects produced final Construction Documents for bidding describing the construction of a new building totaling approximately 73,000 SF to serve 650 students. The program is consistent with other recent FCPS elementary school projects. The project is planned to start construction around April 1, 2015. Final completion is planned for August 2016. On Thursday, January 15, 2015, four (4) general contractors submitted proposals on a base bid and nine (9) alternate bids. The results of the bidding are as follows:

<b>BIDDER</b>		<b>BASE BID</b>	<b>Alternate Bid Nos. 1, 3, 4, 5, 6, 8 &amp; 9</b>	<b>BASE BID plus Nos. 1, 3, 4, 5, 6, 8 &amp; 9</b>
1	D.W. Wilburn, Inc.	\$14,720,000	\$154,000	\$14,874,000
2	Rising Sun Developing, Inc.	\$15,147,000	\$158,150	\$15,305,150
3	Griggs Enterprises	\$15,230,000	\$164,700	\$15,394,700
4	Marrillia Design & Construction	\$15,836,000	\$158,568	\$15,993,568

Alternate #1= Hardware Manufacturer; Alternate #2=Plastic Laminate Casework; Alternate #3=Food Service Equip. Manufacturer;  
Alternate #4= Terrazzo Flooring; Alternate #5= HVAC Controls; Alternate #6=Security Alarm Manufacturer; Alternate #7=Fire Alarm  
Equipment Manufacturer; Alternate #8=PA System Manufacturer; Alternate #9= HVAC Manufacturer

**PROPOSAL:** Based on the review of these proposals, the FCPS staff and the design consultants recommend acceptance of the base bid of \$14,720,000, plus Alternates 1, 3, 4, 5, 6, 8 and 9 for \$154,000. This would bring the value of the proposed total general construction contract with D.W. Wilburn, Inc. to \$14,874,000. An existing separate price contract with U.S. Specialties, a KEDC vendor, allows FCPS to purchase the higher quality plastic laminate casework for the project for a total of \$171,000. This eliminates the need to accept Alternate 2. The FCPS staff and the design consultants recommend approval of the proposed contract and revised BG-1. Upon the Board's approval, these documents will be submitted to the KDE District Facilities Branch for review and approval. Approval will allow the award of a contract and construction of the New Elementary School at the intersection of Georgetown and Spurr Roads to commence with minimal delay. An interim contract will be required until bond proceeds are available. Based on this recommendation, a revision to the BG-1 is required as follows:
