RE: Student Accident Insurance

Dear Ms. Gosney:

At this time, during the 2014-15 school year, the Dayton Independent Schools has a favorable claim history. Therefore, I am pleased to inform you of an opportunity to extend your current accident insurance program **with no rate increase**.

To assure continued protection for your students, we can "lock-in" your current rate for two years (2015-16 and 2016-17) or for one year (2015-16), contingent upon our receipt of your authorization, prior to March 6, 2015.

To confirm acceptance of either option to extend coverage with no rate increases, please complete and return the following page, prior to March 6, 2015. If you elect either option, payment of the premium(s) will not be due until the beginning of the policy term.

Please contact Carolyn Dean or me if you have questions or concerns.

I appreciate your continued business and look forward to hearing from you.

Sincerely,

John Joy
