As early as practical in the calendar year in which the Superintendent's contract expires, the Board will meet to consider the Superintendent's performance and to consider whether to renew the Superintendent's contract. The Board may grant an extension of the Superintendent's contract as permitted by law.

NEW CONTRACT

The Board may agree to enter into a new contract with the Superintendent at any time so long as the term of no Board member will expire in the interim between the making of a contract and its effective date.¹ The new contract cannot become effective until the expiration of the present contract.
