

Minority Teacher Recruitment Update

Presentation to the Jefferson County
Board of Education

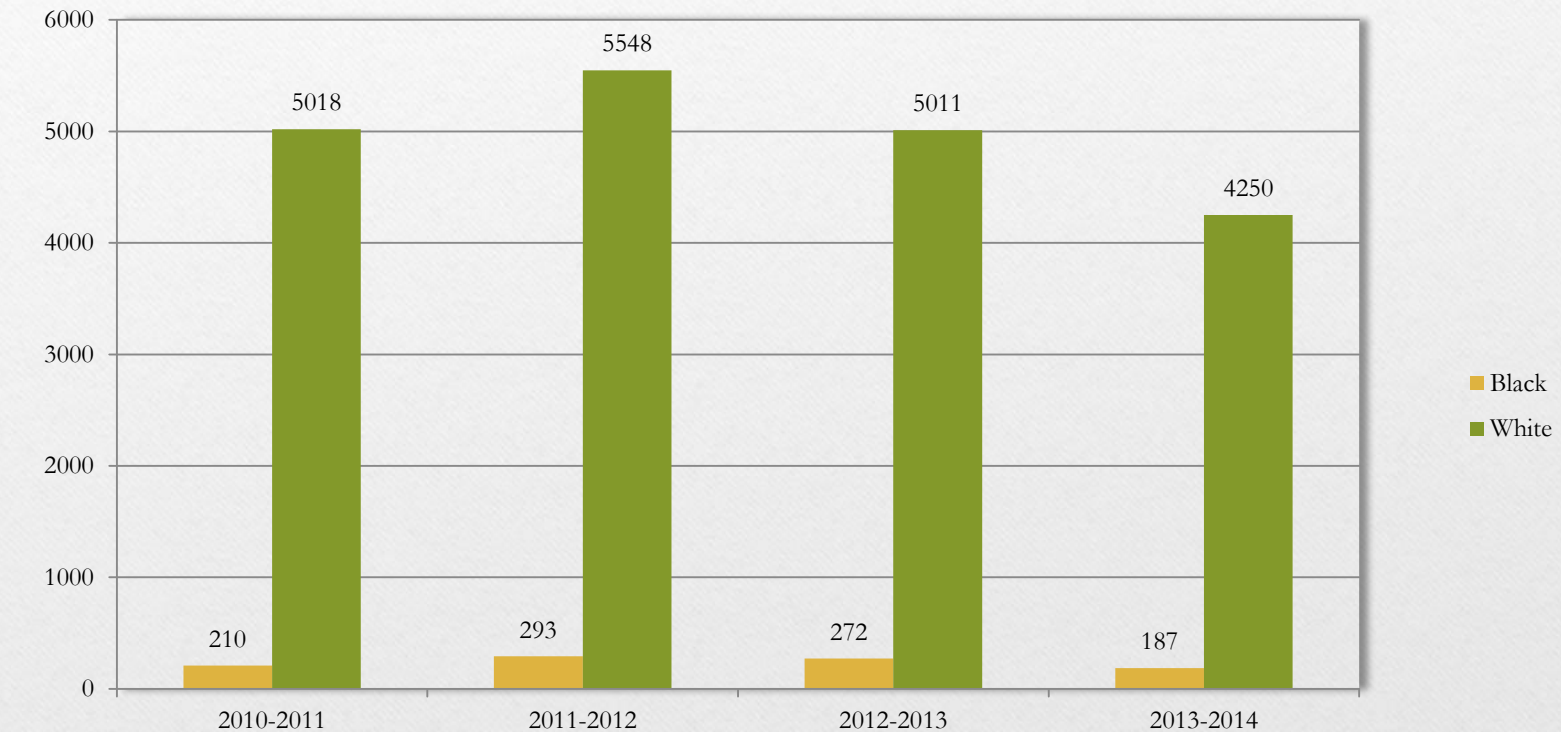

March 9, 2015

Current Research on Minority Teacher Recruitment

- The gap between the number of minority teachers and minority students exists nationally.
- Research supports alternative certification programs, grow your own models, early outreach programs and university-district partnerships.

The Plan

- Attracting all available minority candidates in KY and beyond
- Working with other departments on new policies that support our efforts
 - SBDM/Interview committee training
 - School-based staffing procedures aligned with minority teacher recruitment goals
