(4) The prohibition against conflicts of interest and gratuities and kickbacks shall be conspicuously set forth in every local public agency written contract and solicitation therefor.

(5) It shall be a breach of ethical standards for any public employee or former employee knowingly to use confidential information for his actual or anticipated personal gain, or the actual or anticipated personal gain of any other person.

2.4 Debarment

The Contractor assures the Foundation that it, the Contractor and its principal employees, are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in a transaction by any Federal department or agency and that Contractor and its principal employees are not listed on the General Services Administration's List of Parties Excluded from Federal Procurement or Non-procurement Programs in accordance with E.O.'s 12549 and 12689, "Debarment and Suspension."

2.5 Lobbying

The Contractor assures the Foundation that it, the Contractor, has not and will not pay any Federally appropriated funds, including the funds to be received under terms of the present Agreement, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress, in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement, including the awarding, extension, continuation, renewal, amendment, or modification of the present Agreement.

2.6 Patents and Copyrights

Unless otherwise provided in the Program Narrative or Budget of this Agreement, pursuant to requirements of 37 CFR 401, the Contractor assigns to the Foundation any patent rights, copyrights, and rights in data with respect to inventions, printed materials, technical data or computer software first developed or produced in the performance of activities or services stipulated in the Program Activities section of this Agreement, and financed with dollars reimbursable or otherwise payable under the Budget of this Agreement. The Foundation may in turn assign any such rights to the Office of Employment & Training (OET), to the United States Department of Labor (DOL), or to the United States Department of Education if so required.

3. Reporting Requirements

3.1 Management Reports

The Contractor agrees to provide all applicable management information system reports and all fiscal reports within the time periods specified by the Foundation, so as to document the Contractor's performance of its contractually stipulated functions.

The Contractor agrees to maintain as confidential any applicant or participant information acquired or provided by the Workforce Development Cabinet consistent with the state and federal requirements of 29 U.S.C. 2871 (f)(3), KRS 151B.280, and 787 KAR 2:020, and will use the information solely for the purposes of providing the services specified in this agreement and will not release the information without the informed written consent of the applicant or participant. Exception--if subcontracts are executed for the operation of the

Jefferson County Youth Career Center, the Contractor may release information provided that the subcontractor agrees to the same terms and requirements.

3.3 Maintenance of Documents

- 3.3.1 The Contractor agrees to maintain all documents, records of accounts, records of personnel, and financial records pertinent to this Agreement, and to submit such reports as are required by the Foundation, the Department of Labor, the U.S. Department of Education, and/or the Office of Employment & Training to ensure a proper accounting for all funds.
- 3.3.2 The Foundation, pursuant to applicable law, including KRS 61.870 *et seq.*, specifically reserves the right to have access to any books, documents, papers and records (including computer records) of the Contractor which are pertinent to this Agreement.
- 3.3.3 The Contractor agrees to make all records (including computer records) pertinent to this Agreement available for monitoring and/or audit purposes to the Foundation or its designees, the Louisville/Jefferson County Metro Government, the Office of Employment & Training, the United States Department of Labor, U.S. Department of Education, or the Comptroller General of the United States, at any time during normal business hours and as often as any of these monitoring and/or audit agents may deem necessary. The right of access by these agents will include the right to make excerpts, transcripts, and photocopies, as well as the right of timely and reasonable access to the Contractor's personnel for interviews and discussions related to pertinent records.
- 3.3.4 The Contractor will retain all records pertinent to this Agreement, including financial and statistical records, participant records, and supporting documents, for a period of five (5) years. The retention period will begin on the date the final expenditure report by the Contractor for this Agreement is received by the Foundation. If, prior to the expiration of the 5-year retention period, any litigation or audit is begun or a claim is instituted involving this Agreement, the Contractor will retain the records until after the litigation, audit finding, or claim has been finally resolved. The Contractor may substitute microfilm/microfiche copies in lieu of original records only after audit.
- 3.3.5 The records to be maintained and retained by the Contractor shall include but not be limited to: (A) payroll records accounting for total time distribution of Contractor's employees working full or part time on the work (to permit tracing to payrolls and related tax returns), as well as cancelled payroll checks, or signed receipts for payroll payments in cash; (B) invoices for purchases receiving and issuing documents, and all the other unit inventory records for Contractor's stores stock or

capital items; and (C) paid invoices and cancelled checks for materials purchased and for subcontractors' and any other third parties' charges.

3.4 Accountability

- 3.4.1 The Contractor agrees to determine and assign costs and/or payments in conformity with the accounting methods used by the Foundation.
- 3.4.2 The Contractor agrees that no invoices for costs and/or payments under this Agreement will exceed the cost categories and/or maximum payable amounts delineated in the Budget incorporated herein. The Foundation will not reimburse for costs that exceed cost categories, nor issue any payments in excess of the maximum payable amounts delineated in said Budget. Also, the Foundation will not reimburse for costs that exceed individual line-items within cost categories unless the cost is expressly authorized by the Foundation and/or approved by Board staff.
- 3.4.3 The Contractor agrees to be accountable to the Foundation and does further agree to make suitable reimbursement of any costs and/or payments that are disallowed. Specifically, the Contractor agrees that any funds reimbursable or otherwise payable under the Budget of this Agreement will cover training and/or services exclusively for participants enrolled in or served by WIA, and that any such funds used for training of individuals not enrolled in or served by WIA will be disallowed by the Foundation.

3.5 Close Out Report

The Contractor agrees to provide the Foundation with a financial close out report of this Agreement no later than thirty (30) consecutive calendar days after the end of this Agreement, which will release the Foundation from any further liabilities or payments.

If the Contractor is a public or private non-profit entity, the financial close-out report for this Agreement must normally include a statement of program income, which is defined as any revenues allowably earned by a public or private non-profit Contractor in excess of program costs. Program costs in turn are defined as those necessary, reasonable, allowable and allocable expenditures which are related to the activities or services specified in the Program Narrative of this Agreement, and which are incurred during the Agreement period, or which are required for orderly start-up or close out of the Agreement.

If program income is earned under this Agreement it may be retained and used by the contractor for approved activities within a time frame approved by the Foundation in writing. If the Contractor is not approved to use these funds accordingly, income must be returned to the Foundation.

The public or private non-profit Contractor must maintain records that document all earnings and expenditures under this Agreement, and must maintain an accounting system capable of tracking and determining program income. All such records are subject to review, monitoring and audit by the Foundation and must be retained in accordance with Metro Government funding record retention requirements. Any failure on the Contractor's part to fully comply with Federal, Commonwealth of Kentucky or Foundation program income requirements shall result in cost disallowance and repayment by the Contractor of any amounts directly related to the violation.

Since, however, tuition and fees that represent the catalog price for training or services sold in substantial quantities to the general public by a public entity are deemed to cover only necessary and reasonable program costs of that entity, a public Contractor whose earnings under this Agreement consist solely of such tuition and/or fees is not required to track expenditures under this Agreement with a view to determining program income.

3.6 Audits

The Contractor will respond in writing to any pertinent Findings, Conclusions, and Recommendations in the Reports of the Audit when requested to do so by the Foundation. Unless an extension of time is expressly granted, the Response will be submitted to the Foundation within thirty (30) consecutive calendar days from the date of the Contractor's notification of the Findings and Recommendations of the Audit. The Contractor may take exception to the particular Findings and Recommendations of the Audit. The reasons for such exceptions must be included in the Response. The Response must also point out corrections already made and state what action is proposed and the estimated completion date of such action demanded in the Audit's Findings and Recommendations. The Foundation will consider the Contractor's response and any additional information provided by the Contractor when determining whether or not specific expenditures should be allowed.

4. Non-expendable property

The Contractor agrees to follow norms set by the Office of Employment & Training and the Foundation for purchase of any non-expendable property with KentuckianaWorks Foundation funds and for management and inventory control of such property, and, unless otherwise provided in the Program Narrative or Budget of this Agreement, to return to the Foundation, at the Contractor's own cost, any non-expendable property, whenever said property is no longer being utilized for KentuckianaWorks Foundation youth program purposes, or whenever a contract or relationship between the Foundation and the Contractor ceases to exist. The Contractor will return said property, if any, to the location specified by the Foundation.

5. Liability of Foundation

In no event will the Foundation or the Office of Employment & Training be responsible for, or liable to, any third party, including the Contractor, unless otherwise stipulated in this Agreement, for any damages of any type including but not limited to liquidated, proven, compensatory, or real, arising from or in any way associated with or attendant to, acts or omissions of the Contractor relating to this contract including but not limited to the Contractor's infringement of any United States patents, copyrights, or rights in data. To the extent permitted by Kentucky Law, the Contractor agrees to indemnify and hold harmless the Foundation and the Office of Employment & Training from any such claims or causes of action. If, however, the Contractor's liability is governed by KRS 44.070-44.160 and 45A.245-45A.275, those statutes will prevail.

6. Ownership of property

Contractor hereby acknowledges that Foundation provides equipment and/or assets for the Contractor to use in its execution of the terms of this agreement. That equipment, including but not limited to that listed on Exhibit A attached to the contract shall remain the property of Foundation. Contractor further agrees to procure insurance on said equipment as set forth in Section I: C11 of this Contract. Should this insurance fail to cover loss or damage to the items listed in Exhibit A for any reason, Contractor agrees to reimburse WIB the replacement cost of said item as set forth in Exhibit A within 30 days of the loss.

7. Hold Harmless and Indemnification Clause

To the extent permitted by Kentucky Law, the Contractor shall indemnify, hold harmless, and defend the Louisville/Jefferson County Metro Government and the Foundation, their elected and appointed officials, employees, agents and successors in interest from all claims, damages, losses and expenses including attorneys' fees and court costs, arising out of or resulting, directly or indirectly, from the Contractor's (or Contractor's Subcontractors, if any) performance or breach of the contract provided that such claim, damage, loss, or expense is: (1) attributable to personal injury, bodily injury, sickness, death, or to injury to or destruction of property, including the loss of use resulting therefrom, or breach of contract, and (2) not caused by the negligent act or omission of the Louisville/Jefferson County Metro Government, the Foundation, or their elected and appointed officials and employees acting within the scope of their employment.
