

**APPROVAL OF CONTRACT FOR SURVEY OF 12.2 ACRES  
FOR THE CONSTRUCTION OF THE STEAM ACADEMY  
ON THE UNIVERSITY OF KENTUCKY CAMPUS**

**BACKGROUND:** The construction of a new 600-student high school to house the STEAM Academy is listed as priority 1a.2 on FCPS's 2013 District Facility Plan. Several sites have been considered, but the most desirable site is adjacent to the College of Education on the University of Kentucky campus. Programming and design will be launched immediately after design consultant selection, so the actual size of the building is currently unknown. In the meantime, a survey of the location and its surroundings will gather information critical to the design such as the location of existing buildings, utility lines, easements, etc. Endris Engineering, the firm selected, has recently conducted surveys of sites adjacent to this one and elsewhere on the UK Campus. Endris also surveyed the site for the new high school on Winchester Road. The proposal exceeds \$20,000 and, therefore, requires approval of the Board.

**PROPOSAL:** To enter into an agreement with Endris Engineering in the amount of \$21,800 to perform the services as outlined above.

**FUNDING SOURCE:**

<u>Fund</u>	<u>Org. Code</u>	<u>Object Code</u>	<u>Balance</u>
General	9201407	0349	\$21,800

**STAFF CONTACT:** William R. Wallace, AIA, Director, Facility Design & Construction @ 381.3824

**REFERENCE:** Board Policy 01.1 – General Powers and Duties of Board

**RECOMMENDATION:** A motion is in order to:

"Authorize the Superintendent to execute a contract with Endris Engineering in the amount of \$21,800 (Twenty-one Thousand, Eight Hundred Dollars) to perform the survey outlined above."

On a motion by \_\_\_\_\_, and seconded by \_\_\_\_\_, the Board authorizes the Superintendent to execute a contract with Endris Engineering in the amount of \$21,800 (Twenty-one Thousand, Eight Hundred Dollars) to perform the survey outlined above.
