

AMENDMENT OF 2014-2015 SCHOOL CALENDAR

BACKGROUND AND RATIONAL:

FCPS has missed seven (7) instructional days due to inclement weather in the 2014-2015 school year. Four (4) of these days will be made up with weather make up days (3/20, 4/10, 5/28 and 5/29) previously approved by the board. In order to make up the remaining three (3) days we would like to extend each instructional day by thirty (30) minutes beginning Monday, April 20, 2015 and continuing through Friday, May 29, 2015.
