## Key Findings

- **57,945 links** were made through the 7<sup>th</sup> month across **150 JCPs schools**.
- **26,356 students** have been linked with a resource to help meet a need.
- **8,971 students had 2 or more needs** linked with a resource. 61 had 10 or more, the highest was 34.

## Cumulative Number of Students Served and Linked Made

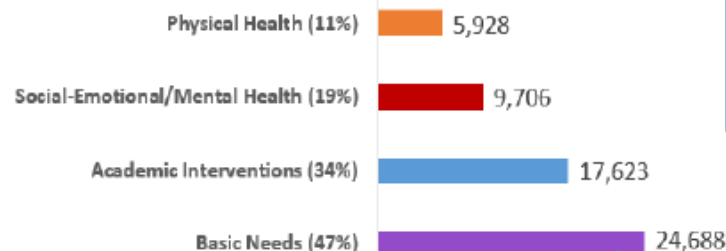

## Community Partner of the Month:

OPC services is the top independently owned pest management company in Kentucky. OPC has provided services to families that otherwise would not be able to afford them. Louisville Linked thanks OPC for supporting healthy home environments for many JCPs students and families!

## Number of Links by Need Type

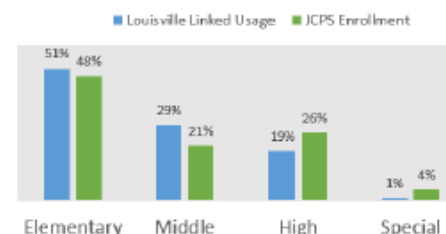

## Example of Basic Need Link

Family has been evicted on Monday and are needing new permanent Housing, but something temporary in the meantime. Evicted due to lack of money.

*Social-emotional/mental health links represented 9% of all links at the start of the school year...now, they represent almost 20% of links made.*

## Louisville Linked Usage by Level
