Robin

Here is the list of grants for the consent agenda that we are applying for this month.

(1) The Child Nutrition Program is seeking KDE Equipment Assistance grants in the amount of \$15,211.00 each for Jefferson Elementary and for South Middle School to purchase Chef Top Combi-Ovens which will replace current ovens that are over 30 years old.

(2) North and South Middle Schools are applying for a "Life Skills Training" grant to implement the prevention curriculum for all 6th - 8th graders for the 2016 school year. The grant will provide teacher training, teacher materials and student workbooks.

(3) The Child Nutrition Program is seeking an "Action for Healthy Kids" Breakfast grant in the amount of \$2,500 for North and South Middle Schools to implement a "Grab and Go" alternative breakfast option to encourage more students to eat a healthy breakfast.

Thanks

Nancy
